

Meet, Dine and Stay with Confidence

HEALTH & WELLBEING OF OUR STAFF, GUESTS AND SUPPLIERS IS OF THE UTMOST IMPORTANCE TO US

We have detailed standard **operating procedures** in place which **coordinates** our approach and allows for **engagement** of our team and **monitoring** of controls.

We want to **reassure** everyone who enters **The Stock Exchange**, that we are a **safe** and **secure** place to stay.

For this we have:

Increased the frequency of **sanitising** all **public areas** and **facilities**

Enhanced disinfection of all **high touch point** areas in **guest rooms**

Provided designated **hand sanitising stations** on each floor and throughout **public areas**

Assigned '**Cleaning Champion**' Roles

Made changes to areas, such as **Reception, Restaurant** and **Lifts**, to **ensure distancing** is practised and promoted throughout the hotel

Enhanced guest & team member safety with **Screening** and **PPE** where required

Provided training to staff and located **signage** across the Hotel to promote **hygiene** and **awareness**

Provided Contactless check in and **checkout, mobile key technology** and **contactless payments** options

Implemented a new approach to food service, meetings and all **catering provision**

Engaged in Partnerships with industry **leading experts**.
