KEY EVENT'S CALENDAR 2020 - 2021

SPONSORSHIP OPPORTUNITIES

NOVEMBER

FinTech Lunch- Virtual

£1500

Now employing over 61,000 people in the UK, the last few years has seen fintech grow from its disruptive roots into a £6.6bn industry. From the convergence of two of Manchester's largest industries – financial services and digital technology – the city boasts a growing cluster of fintech businesses. These range from long-standing companies that support financial services to much smaller start ups that are developing innovative solutions. Join pro-manchester and our expert panels for lunch as we discuss what Manchester has to offer Fintech businesses.

Digital Marketing Conference- Virtual

£1500

Digital marketing is changing every day. With the introduction of automation, augmented reality and influencer marketing in just the last few years, our conference will focus on the challenges faced by marketers. How do you stay up to date with the latest trends and tech? How do you keep your audience engaged in a world where social media users are believed to have a 1.7 second attention span with any piece of individual content? Our conference will give you a much-needed update on the rapidly evolving world of digital marketing

DECEMBER

Property & Transport Lunch - Virtual

£1500

This year we have combined two key sectors which cross over in so many ways to bring to you our virtual Property & Transport lunch.

With two panels of experts debating the hottest topics, this is sure to be a fascinating event. You bring the lunch and we'll bring the content.

JANUARY

Virtual Retail & E-Commerce Lunch

£1500

Our annual Retail & Ecommerce Lunch will be returning . The virtual lunch will welcome two expert panels, who will explore the changing retail experience and how brands are keeping up with consumer trends. We will also explore how retailers are recovering from COVID19 and how their online offering has supported them through the pandemic.

Virtual Green Tech Conference

£1500

Greater Manchester is committed to becoming the world's first zero carbon region by 2038. That huge ambition brings with it exciting opportunities for innovation, upskilling and economic growth.

pro-manchester's Green Tech Conference will welcome a wide range of companies developing innovative new technologies to lower emissions, reduce our carbon footprint and improve our environment. Throughout the morning we will also hear from professional advisors, policymakers and training providers to understand how everyone can benefit from these developments.

FEBRUARY

Virtual MIMAwards

Award Sponsor - £3600

Event Sponsor - £1950

The Made in Manchester Awards, brought to you by future pro-manchester celebrates the best of Manchester's young business talent, up to the age of 35. Following the 2020 awards, no one could have imagined the scale of the events that would unfold across the globe soon after.

Now the GM business community need to come together more than ever to help Greater Manchester to #BuildBackBetter. Therefore the 2021 awards is a celebration of Manchester's young business community and how they have continued to strive for excellence and push boundaries during this unparalleled time.

Virtual Corporate Finance Lunch

£1500

Join us for our annual Corporate Finance Lunch on Friday 14th February 2020. We'll hear from two panels of experts from the corporate finance world as they review the last twelve months of deals in the North West.

There will be commentary and analysis from those in the know, plus insight into the market for the year ahead. A great networking opportunity with over 250 people from corporate finance, private equity and financial and professional services.

APRIL

Virtual Lunch with Sir Richard Leese

£1500

We're delighted to announce Sir Richard Leese will be addressing pro-manchester members at our March Lunch. Well known for his business acumen, forging partnerships with key city players and successfully attracting investment into the city. Sir Richard will reflect on the past twelve months in the city, and talk about plans and strategy in the new normal.

Business will also be on the agenda as Sir Richard focuses on the importance of continued support of the region's businesses, skills provision and ensuring Manchester remains the UK's second city.

MAY
