Bring your business cards, bring your smile and join us for an evening of speed networking.

Brought to you by Future pro-manchester, this incredibly popular, and always a sell-out event, will give young professionals the opportunity to make many new contacts in one evening.

Speed networking is a fun and frantic way of making more business connections in one evening than you'd usually make in a month.

Seated around the stunning 18th Floor at the Hyatt Regency Manchester, guests are given just less than two minutes each to make a successful pitch. Most of us have a practiced pitch and know how to sell our businesses, but doing this up to thirty times in one evening is no mean feat!
