pro-manchester

introduction

pro-manchester has been up and running for 37 years, working with organisations across Greater Manchester to make it what it is today - largest business development organisation in the North West and THE go to for Greater Manchester-based professionals looking to connect, share and collaborate.

Governed by a non-executive Board of Directors made up of senior individuals from organisations within our membership, we increase professional excellence through knowledge sharing, creating partnerships and staying ahead of the ever-changing business environment.

pro-manchester

about the pro-manchester Summer Ball

Our Annual Dinner begun 22 years ago to celebrate our very own Chair's year in office, looking back on his achievements and welcoming in the chair to be. Since then, as we've welcomed even more members to the pro-manchester community and opened the event up to non-members, our Annual Dinner has quadrupled in size and become the biggest celebration in our event calendar.

In it's 23rd year, the pro-manchester Annual Dinner is having a bit of a revamp and is now replaced by our 'pro-manchester Summer Ball'; this event will follow the same format as our Annual Dinner but will be much more up to date, bigger, better and more exciting.

Our pro-manchester Summer Ball will consist of a sparkling drinks reception, sumptuous 3 course meal and all the 'party vibes' you could ask for, with live entertainment specially chosen with our members in mind.

This event attracts a wide range of businesses from each sector across Greater Manchester as it's the perfect opportunity for employers to treat their staff and remind them sometimes 'less work, more party' is best!

This event is a sell out each and every year, so if you're looking for an opportunity to put your company's name up in lights in front of multiple organisations across the North West then this event is for you!..
