pro-manchester

creative conference

What is pro-manchester's Creative Conference?

Manchester is recognised as one of Europe's largest creative, digital and technology clusters and is home to a fast-growing £5 billion digital ecosystem.

Come along to pro-manchester's Creative Conference & tap into the insights of some of the true experts from Manchester's creative community, collaborating and sharing their expertise with the wider business community. Don't miss this opportunity to stay ahead in the ever-evolving creative sector.

Discover emerging trends, technologies, and strategies that will shape the industry and our future.
