pro-manchester creative conference

ABOUT THE EVENT

Manchester is recognised as one of Europe's largest creative, digital and technology clusters and is home to a fast-growing £5 billion digital ecosystem.

Join us at pro-manchester's Creative Conference to hear from experts across the creative community as they share insights with the wider business audience.

Bringing together marketers, creatives and industry leaders, the conference explores what it takes to create work that truly cuts through. The programme will cover emerging trends, technologies and strategic thinking shaping the future of creative work.

Don't miss the opportunity to stay ahead in an ever-evolving creative sector.

The Conference will be held on Tuesday 29th September 2026
