Annual Summer Party

Our pro-manchester Summer Party is back for 2026, and we're raising the bar once again! Following the sell-out success of our 2025 event, we are returning to the heart of the city to host the most anticipated social fixture in the Manchester business calendar.

This isn't just a party; it's a high-impact opportunity to position your brand in front of the region's most influential professionals. We're bringing together hundreds of decision-makers for an evening of sun, style, and top-tier networking.
