TRAILBLAZING
TECH

2026

THURSDAY 18TH JUNE
SISTER

Why Sponsor?

Greater Manchester is positioning itself at the forefront of UK innovation and is heavily focusing on accelerating economic growth through innovation, commercialisation and collaboration.

We will be exploring what the region's strategic status means for businesses and communities. Highlighting Manchester's growing strength in investment, tech, and fintech, and framing the opportunities ahead. We will hear from founders, professionals and innovators sharing real-world success stories, offering practical insight into how funding, technology, automation, and AI are being used to drive meaningful business growth within the local ecosystem.

Get Involved

Be part of the conversation and position your organisation at the forefront of innovation:

- Showcase your brand to an engaged business audience
- Contribute to panels and expert-led sessions
- Benefit from editorial features across our marketing channels
- Invite clients and prospects to attend
- Build meaningful connections through networking opportunities and more

Whether you're a tech enthusiast, a business leader, or a trailblazer, TT26 offers fantastic opportunities to connect, learn, and lead.
