Health Tech conference 2026

Tuesday 1st December 2026

Sponsorship Opportunities

ABOUT THE EVENT

Our Health Tech conference is a fantastic opportunity to put your brand forward, both on the day and pre-event at this very well-attended conference which is full of experts and industry leaders!

Innovation in Healthcare is crucial in order to meet changing demands and deliver better outcomes for patients. Manchester is home to world-leading research and development assets as well as the largest clinical academic campus in Europe, and continues to be at the forefront of innovative healthcare treatments.
